Jurisdiction

1. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2).

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

3. On September 15, 2019 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

4. Pursuant to Order of this Court dated April 8, 2020 [D.I. 1023], David M. Klauder was appointed as the Fee Examiner for these cases.

The Fee Examiner’s Retention of B & K

5. On May 26, 2020 the Court entered the *Order Authorizing the Retention and Employment of Bielli & Klauder, LLC as Counsel to the Fee Examiner Nunc Pro Tunc to the Appointment Date* [ECF No. 1182] (the “**Retention Order**”), authorizing B&K’s retention by the Fee Examiner. The Retention Order is attached hereto as **Exhibit A** and incorporated by reference.

6. The Retention Order also authorizes the Debtors to compensate and reimburse B&K in accordance with section 330 and 331 of the Bankruptcy Code, as the case may be, and the applicable Bankruptcy Rules, Local Rules, and fee and expense guidelines and orders of the Court. Among other things, it permits B&K to render the following services:

- a. reviewing with the Fee Examiner fee applications and related invoices for compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the U.S. Trustee Guidelines, and the Local Rules and Orders of the Court;
- b. assisting the Fee Examiner in any hearings or other proceedings before the Court to consider fee applications, including, without limitation, advocating positions asserted in the reports filed by the Fee Examiner;
- c. assisting the Fee Examiner with legal issues raised by inquiries to and from the professionals retained or proposed to be retained in these cases and related adversary proceedings by the Debtors, the Creditors’ Committee, or otherwise retained with Court approval (collectively, the “Retained Professionals”) and any other professional services provider retained by the Fee Examiner;

- i. providing such other services as the Fee Examiner may request

Compensation Paid and Its Sources

7. All services during the Fee Period for which compensation is requested by B&K were performed for or on behalf of the Bankruptcy Estates. Additionally, B&K has not received any payment or promises of payment from any source for services rendered or to be rendered in any capacity whatsoever in connection with matters covered by this Fee Application. A certification confirming B&K's compliance with the Fee Guidelines is annexed hereto as

Exhibit B.

8. To the extent that billable time or disbursement charges for services rendered or expenses incurred relate to the Fee Period but were not processed prior to the preparation of this

Fee Application, B&K reserves the right to request compensation for such services and reimbursement of such expenses in a future fee application.

Summary of Professional Compensation and Reimbursement of Expenses Requested

9. Attached hereto as **Exhibit C** is a chart of the number of hours expended by B&K partners, associates, law clerks and paraprofessionals during the Fee Period with respect to each of the project categories B&K established in accordance with its internal billing procedures.

10. Attached hereto as **Exhibit D** is a chart of B&K professionals and paraprofessionals, including the standard hourly rate for each attorney and paraprofessional who rendered services to the Fee Examiner in connection with these chapter 11 cases during the Fee Period and the title, hourly rate, and aggregate hours worked.

11. Attached hereto as **Exhibit E** is a summary chart explaining B&K's fee and expense calculation for the Fee Period. As set forth in the Retention Application, B&K, on behalf of itself and the Fee Examiner, is charging a monthly flat fee of \$55,000.00 for the services rendered in this case, which includes the fees incurred by the Fee Examiner and B&K including the monthly costs of data analytics software being used by the Fee Examiner, which is furnished by Legal Decoder, Inc., ("**Legal Decoder**").

12. Attached hereto as **Exhibit F** are the time records of B&K for the Fee Period organized by project category with a daily time log describing the time spent by each attorney and other professional during the Fee Period and invoices from Legal Decoder.

13. Attached hereto as **Exhibit G** are the Customary and Comparable Compensation Disclosures for the Fee Period.

14. Attached hereto as **Exhibit H** is the Budget and Staffing Plan for the Fee Period.

Fee Review Status

15. The Fee Examiner was appointed on April 8, 2020 and B&K's retention was approved May 26, 2020.

16. During the Tenth Interim Period, the Fee Examiner was tasked with reviewing the interim fee applications for twenty-seven (27) Retained Professionals for a total amount of fees and expenses that exceeds \$20 million.

17. The Fee Examiner and B&K, with the critical assistance of the analytic software licensed by Legal Decoder, were then able process the fee data from the 27 Retained Professionals for Interim Applications, and then began a process of issuing interim reports to the Retained Professionals on a rolling basis.

18. The Fee Examiner and B&K then discussed and consensually resolved the issues raised in the Fee Examiner's interim reports for all of the Retained Professionals leading to a consensual order [Docket No. 5529], which approved the holdback amounts for the Retained Professionals minus any consensual reductions agreed to by the Fee Examiner and the Retained Professionals.

19. The Fee Examiner and B&K, with the use of Legal Decoder software, were able to conduct their review, issue recommended reductions, resolve all issues with the Retained Professionals in an expeditious matter. Additionally, these efforts lead to a reduction of aggregate professional fees and expenses of approximately \$200,000.00.

Summary of Services Rendered

20. The services rendered by B&K during the Fee Period can be grouped into the categories set forth below. These categories are generally described as follows:

a. BK/Fee Examiner – Retention and Fee Applications

Total Hours: 47.40

This category includes time spent regarding preparation of employment and fee applications for Bielli & Klauder, LLC.

b. Case Administration

Total Hours: 30.4

This category includes time spent regarding coordination and compliance activities, and general case review.

c. Fee/Employment Applications- Retained Professionals

Total Hours: 167.50

This category includes time spent regarding review, analysis, discussions, and negotiations regarding the fee applications for Retained Professionals.

B&K's Requested Compensation and Reimbursement Should Be Allowed

21. Section 331 of the Bankruptcy Code provides for interim compensation of professionals and incorporates the substantive standards of section 330 of the Bankruptcy Code to govern the Court's award of such compensation. Section 330 of the Bankruptcy Code provides that a court may award a professional employed under section 327 of the Bankruptcy Code “reasonable compensation for actual necessary services rendered ... and reimbursement for actual, necessary expenses.” 11 U.S.C. § 330(a)(1). Section 330 also sets forth the criteria for the award of such compensation and reimbursement. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent, and the value of such services, taking into account all relevant factors, including:

- a. the time spent on such services;
- b. the rates charged for such services;
- c. whether the services were necessary to the administration of,

- or beneficial at the time at which the service was rendered toward the completion of, a case under this title;
- d. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed; and
- e. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3).

22. The foregoing professional services were performed by B&K in an efficient manner were necessary and appropriate to the administration of the Chapter 11 Cases, and were in the best interests of the Debtors, their estates, and other parties in interest. Compensation for the foregoing services as requested is commensurate with the complexity, importance, and nature of the problems, issues, and tasks involved.

23. B&K asserts that the fees it is charging for this engagement, which equals a monthly fee of \$55,000.00 are reasonable and beneficial to the bankruptcy estate. As described herein, the Fee Examiner and B&K spent considerable time during the Fee Period preparing for the significant and complex fee review in this case. In particular, the Fee Examiner and B&K, with the critical assistance of the analytic software licensed by Legal Decoder, were then able process the fee data from the 27 Retained Professionals for the Interim Applications, and then began a process of issuing interim reports to the Retained Professionals on a rolling basis. As such, B&K asserts that the fees charged for the Fee Period are necessary, reasonable, and commensurate with the work performed.

Notice

24. B&K will provide notice of this Application in accordance with the Interim Compensation Order. B&K submit that no other or further notice be given.

WHEREFORE, B&K, in connection with services rendered on behalf of the Fee Examiner, respectfully requests approval of compensation in the total amount of \$220,000.00, inclusive of any holdbacks not yet paid to B&K, for actual, necessary legal service and expenses that B&K incurred in connection with such services during the Fee Period.

3. To the best of my knowledge, information and belief, the statements contained in the foregoing Application are true and accurate in all material respects and comply with the Fee Guidelines in material part. B&K responds to the questions identified in the U.S. Trustee Guidelines as follows:

Question 1: Did you agree to any variations from, or alternatives to, your standard or customary billing rates, fees, or terms for services pertaining to this engagement that were provided during the application period? If so, please explain.

Answer: Yes. The monthly rate structure as set forth herein is different than B&K’s customary billing arrangements for similar engagements, however the monthly rate structure is necessitated by the significant size and complexity of the fee review in this case.

Question 2: If the fees sought in the Application as compared to the fees budgeted for the time period covered by the Application are higher by 10% or more, did you discuss the reasons for the

variation with the client?

Answer: B&K has provided the client with the actual amount of fees incurred on a monthly basis and engages in ongoing discussions with the client regarding fees and expenses generally but did not prepare an itemized budget for the Fee Period.

Question 3: Have any of the professionals included in the Application varied their hourly rate based on geographic location of the bankruptcy case?

Answer: As disclosed in the Retention Application, no.

Question 4: Does the Application include time or fees related to reviewing or revising time records or preparing, reviewing, or revising invoices?

Answer: No.

Question 5: Does the Application include time or fees for reviewing time records to redact any privileged or other confidential information? If so, please quantify hours and fees.

Answer: No.

Question 6: Did the Application include any rate increases since retention in these cases:

Answer: No.

Question 7: Did the client agree when retaining B&K to accept all future rate increases? If not, did B&K inform the client that they need not agree to modified rates or terms in order to have you continue the representation, consistent with ABA Formal Ethics Opinion 11-458?

Answer: The client was informed regarding B&K's rates and future rate increases as part of its approval of B&K's retention application.
